PREPARING STUDENTS
FOR LIFE

Preparing Students for Life

Woodward Career Technical High School, serving grades 7-12 in Bond Hill, offers your student an incomparable education that will help them go far.

For the 2021-22 school year, we will be back and stronger than ever with in-person learning five days a week and established safety protocols. Your student will experience:

- Our academic programs that prepare students for both college and apprenticeship training.
- The opportunity to explore our Advanced Manufacturing Technologies Career Pathway, which offers training in welding, design/drafting and more.
- The chance to participate in our Building Technologies Career Pathway, which equips students with experience in construction drawing, hand/power tools and the proper use of personal protective equipment.
- The opportunity to develop the skills needed to succeed in the health care industry through our Health Technologies Career Pathway. Students receive training in basic lab standard operating protocols, lab safety and more.
